Online Transfer Request Form

For every incoming transfer, you must fully complete our Online Transfer Request Form.

WE WILL CALL YOU when the firearm is here and ready for pickup. If you did not receive a call, the firearm is likely not ready for pickup yet. Please read all of our policies regarding transfers **BEFORE** conducting a transfer. **By transferring with Red Hills Arms, you are agreeing to and are responsible for the information on this page.** Failure to comply with our instructions will result in processing delays.

Transfer Fees:

These fees only apply to firearms inbound and outbound from/to other dealers. Firearms purchased or ordered directly through Red Hills Arms are not charged additional fees beyond the state call-in fee. **Effective MARCH 2021:**

* **GENERAL TRANSFERS:** Gunbroker/ Online Retailers/ Brick and Mortar Stores, Etc. **\$40 per firearm**

* **IN-STORE TRANSFERS:** Private Sales **\$40 per firearm**
If you are engaging in a private sale, but wish to conduct a background check, we'd be happy to provide the service. Both the seller and the buyer must be present, and the same identification and paperwork are required as a normal sale.

* SHIPPING RATES FOR OUTGOING TRANSFERS:

This is still a transfer, and the **transfer fee of \$40 per firearm** applies on top of shipping charges

\$50.00 for long guns shipping within the Continental United States

If special packaging or delivery services/times are required, there may be additional cost. Contact us for Alaska/Hawaii shipping rates.

Rates include packaging, shipping, delivery confirmation, and insurance.

You must have a FFL destination for the shipment identified.

No international shipping

Transfer Rules:

We will accept transfers from private individuals, other gun stores/dealers, and even manufacturers as long as we are not hindered by any of the purchase / stocking dealer agreements.

- **Please inform us (using our online transfer request form) in advance of all firearms being shipped to us**, regardless of whether the shipper requires our information (**even if we are "on file" with that dealer.**)
- Make sure the sender includes your name, contact information, and their FFL file copy. If we simply receive a gun in a box with no information, this will cause delays and possibly incur additional fees..
- **Please allow us time to contact the sender and exchange FFL information.** This may take 24 to 72 hours.
- **Once the firearm(s) arrive we must unpack it, inspect it, and log it into our books. Heavy volume of incoming firearms means this may take up to 72 hours for the firearm to be ready.**
- **Please do not come in or call until after we call you to inform you the firearm(s) are ready.** We get dozens of firearms transfers per day in addition to our own incoming inventory, which is processed first. Please be patient, and we will call you when we get to yours.
- Only the person listed on the transfer request may pick up the firearm(s). NO EXCEPTIONS.
- Customers have 30 calendar days from the date of arrival to start the paperwork to pick the firearm(s) up. After 30 days, a \$15 per day, per firearm storage fee will be incurred. After 60 days, a lien will be placed on the firearm(s) and they will be sold.
- *If you are deploying in service of our nation and cannot pick up a transferred firearm, contact us and we can make arrangements. We support our warriors!*

As with all firearms sales and transfers- if any staff member at Red Hills Arms feels uncomfortable with the sale, we reserve the right to deny the transfer or sale of the firearm and return the firearm to the seller at the expense of the buyer.

Incoming Transfers from Private Sellers (NON-FFL):

If the seller/sender is not a valid FFL holder, they can verify our FFL via the **ATF's "E-Z Check" Website** and enter our "First 3 and Last 5 numbers on the FFL: 1-59, 30715 for FFL confirmation.

If the seller is not a FFL they **must include** a photocopy of their driver's license with all information legible with the package. Failure to do so means we cannot log the firearm into our books and will result in processing delays.

Note: If the seller is not an FFL, we will **ONLY** contact them in the event of a problem. Everything they need to ship is located on this page.

AGE RESTRICTIONS PER FEDERAL LAW:

LONG GUNS: 18+

HANDGUNS: 21+

LOWER RECEIVERS: 21+ (Due to the capability of many lower receivers to be built into either a pistol or a rifle)

AGE RESTRICTIONS PER FLORIDA LAW:

LONG GUNS: 21+

HANDGUNS: 21+

LOWER RECEIVERS: 21+ (Due to the capability of many lower receivers to be built into either a pistol or a rifle)

Note: The way the current version of the law is worded, it's now illegal for 18, 19, and 20-year-olds to buy any firearm. (There are some exceptions for law enforcement, correction officers, and active duty military, but not young veterans). But it's not illegal for those same people to possess firearms or to obtain them as gifts.

AS OF APRIL 2018 FLORIDA LAW REQUIRES A 3 DAY WAITING PERIOD ON ALL FIREARMS!

Florida previously had a 3-day waiting period for handgun purchases through licensed dealers. This law now extends that waiting period to rifles and shotgun purchases made through licensed dealers. Exceptions to the waiting period apply to Floridians who 1) have a valid concealed weapon license (handguns and long guns), or 2) have a valid hunting safety course certificate or hunting license (long guns only), or 3) are law enforcement officers, corrections officers, or active duty military members (long guns only).

With respect to AR lower receivers or other firearms classified as "other": Each of these will be treated according to the new law. there is a 3 day wait for those eligible to purchase those items unless you fall under one of the above mentioned "exceptions" All AR lowers are treated like "Pistols" and require a 3 day wait unless you are a CWP holder.

RETURNS:

In the event the customer is unsatisfied with their transferred firearm, it is their right to refuse the transfer. However, it is the responsibility of the customer to make contact with the shipper and obtain an RMA or pay for return shipping. Red Hills Arms will NOT contact manufacturers or shippers for this information. A transfer fee may still be charged on a return.

In the event a transferee is for **ANY** reason ineligible to receive the firearm you ordered (such as failed background check or age restriction), Buyer will be held responsible for all return arrangements and shipping costs. A transfer fee will be charged.

If no arrangements are made for the return of a transferred firearm for any reason within 60 days, a \$15 per day storage fee will apply, with a lien after 90 days.
